

By God's Grace,

All Will Be Well

SYMBOL OF HOPE, DESTINY, AND FAITH

137 have helped to raise \$326,911 in campaign pledges!

We have reached our campaign's pledge goal, but we still need your response!!!! It is very important that every family has the opportunity to participate in this tremendous effort. Of the 207 parish families, we have heard from 137 and encourage the remaining 70 parish families to help support the parish efforts.

Campaign volunteers continue to contact parishioners and set up visits to share campaign information and encourage your support. We thank you for your prayerful consideration and look forward to hearing from you.

We thank you for your prayerful consideration and look forward to hearing from you. **Please return your pledge card today so that we can begin to finalize our campaign efforts.**

To DO:

Just a reminder. . .

The first pledge reminder statements will be available for families to pick up soon. Pledge Reminder Statements will be available the 3rd Sunday of each month in the Parish Center. In order to help the parish save on postage, we ask that you pick up your pledge reminder statement. If you are unable to pick up your statement it will be mailed to you.

Each pledge reminder statement will have a return envelope to make it convenient to return your payment. Payments can be sent to the parish office or placed in Sunday's offertory. Any questions about your pledge reminder statement or payments, please call the Parish Office at 614-252-4913.

THANK YOU!

Again, thank you to all of the families and friends of Saint Dominic Church who offered their pledges, gifts, and prayers to the ***By God's Grace, All Will Be Well Capital Campaign.***
